

## Indiana Department of Environmental Management VERIFICATION OF MULTIMEDIA SCREENING EVALUATION

This is to verify that on \_\_\_\_\_ a multimedia screening evaluation of \_\_\_\_\_ was conducted by the undersigned representative(s) of the Indiana Department of Environmental Management.

A multimedia screening evaluation is generally a complete or limited single-media inspection in one program media (e.g., air, industrial waste, wastewater, drinking water) plus a screening evaluation in one or more other media. This multimedia screening evaluation includes the completion of a multimedia screening checklist. The MM screening checklist is intended to identify the more obvious and readily detectable instances of non-compliance or indicators of possible non-compliance in other compliance program areas.

**Multimedia Screening Checklist Findings:**

- \_\_\_\_\_ No potential problems or areas of possible non-compliance were observed and noted on the multimedia screening checklist.
  - \_\_\_\_\_ Potential problems or areas of possible non-compliance were observed and noted on the multimedia screening checklist, but corrected during the inspection. Refer to final single-media inspection report and MM screening checklist.
  - \_\_\_\_\_ Potential problems or areas of possible non-compliance were observed and noted on the multimedia screening checklist, and will be referred to the Office(s) of \_\_\_\_\_ for further investigation and response. Refer to final single-media inspection report and MM screening checklist.
- If non-compliance is determined or additional information/review is required to evaluate overall compliance, the Office(s) of \_\_\_\_\_ will be the lead IDEM Office(s) in pursuing these matters.

**Pollution Prevention:**

Pollution prevention is the preferred means of environmental protection in Indiana. The goal of pollution prevention is to promote changes in business and commercial operations, especially manufacturing processes, so that less environmental wastes are generated. Your participation in Indiana's pollution prevention program is entirely voluntary. Would your company like to be contacted by IDEM's Office of Pollution Prevention and Technical Assistance? \_\_\_\_\_ Yes \_\_\_\_\_ No
