Statement of Commitment

Strategic Goals Program Participant

Metal Finishing Sector

The Strategic Goals Program (SGP) began as a unique cooperative effort between the U.S. Environmental Protection Agency's Common Sense Initiative and the metal finishing industry, represented by the National Association of Metal Finishers (NAMF), the American Electroplaters and Surface Finishers Society (AESF), and the Metal Finishing Suppliers Association (MfSA).

Company Name

is proud to be a participant in the Strategic Goals Program.

Our company is willing to make a good faith effort toward achieving - by 2002 - the set of National Performance Goals that have been thoroughly discussed and jointly agreed upon through the cooperative efforts of the U.S. EPA and industry representatives.

We understand that the Strategic Goals Program (SGP) is voluntary, and that we have the option to exit the Program at any time, with no penalties or unfavorable consequences.

By signing this document on behalf of the company, we become eligible for Program incentives as described in the Strategic Goals Program Membership Kit.
